

REQUEST FOR ACTION

To: Mark Leary
Deputy Director
Waste Compliance and Mitigation Program

From: 
Ted Rauh
Program Director
Waste Compliance and Mitigation Program

Request Date: July 8, 2010

Decision Subject: Concurrence on Proposed New Full Solid Waste Facilities Permit for Mission Recycling facility, SWIS No. 19-AA-1108

Action By: September 5, 2010

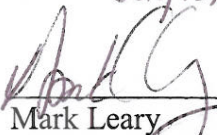

Summary of Request: This is a request that the Deputy Director take action on a proposed new Solid Waste Facilities Permit for the Mission Recycling facility, SWIS No. 19-AA-1108, located in Los Angeles County. Staff's findings and recommendations are provided relative to the proposed action.

The proposed permit was received on July 7, 2010. Action must be taken on this permit no later than September 5, 2010. If no action is taken by September 5, 2010, the Department will be deemed to have concurred with the issuance of the proposed permit. **Note: The current Solid Waste Facilities Permit expired on June 30, 2010.**

Recommendation: Based on our review of the submitted permit package, staff recommends the Deputy Director concur with the issuance of the permit. All of the required submittals and findings required by Title 27 Section 21685 have been made and the required CEQA findings have been made in support of concurrence. These findings are summarized in the table found in the Waste Compliance and Mitigation Program Staff Report attachment. The documents on which staff's findings are based are in the facility files. Details on the findings are presented in more detail in the Waste Compliance and Mitigation Program Staff Report.

Deputy Director Action: On the basis of the information and analysis in this Request for Action and the findings set out in the Department staff report, I concur in the issuance of the New Full Solid Waste Facilities Permit for the Mission Recycling facility as proposed.

Dated: July 12, 2010

Mark Leary
Deputy Director
